

MATERIAL SAFETY DATA SHEET

Compiled According to Directive 91/155/EEC and Amendments

1. PRODUCT AND COMPANY INFORMATION

Product Name: T. CRUZI IgG CELISA
Product Code: KT2
Intended Use: 96 Test enzyme immunoassay of the detection of Trypanosoma cruzi from serum samples. For professional use only.

Manufacturer: CELLABS PTY LTD
Address: UNIT 7, 27 DALE STREET, BROOKVALE, NSW, 2100 AUSTRALIA
Emergency Telephone: +61 2 9905 0133 (available Mon-Fri 8.30am to 5pm Australian Eastern Time)
Telephone: +61 2 9905 0133
Fax: +61 2 9905 6426

European Authorised Representative: WMDE
Address: BERGERWEG 18, 6085 AT HORN, THE NETHERLANDS
Emergency Telephone: +31 (0)475582285
Telephone: +31 (0)475582285
Fax: +31 475582278

2. COMPOSITION

Substances present in this product which may present a health hazard:

Stopping Solution		TCSS				
CAS No.	EC No.	Chemical Name	Concentration	Symbol	R-Phrases	
7664-93-9	231-639-5	Sulphuric Acid	10.7%	C	R35-41	

3. HAZARDS IDENTIFICATION

Stopping Solution TCSS

Designation on Hazard: Corrosive (C)

Special Information on Hazards Concerning Man and the Environment:

R35 Causes severe burns.
R41 Risk of serious damage to eyes.

4. FIRST AID MEASURES

Stopping Solution TCSS

General Information: In case of accident or if you feel unwell seek medical advice immediately.

After Inhalation: Remove from exposure, rest and keep warm. In severe cases, or if exposure has been great, obtain medical attention immediately.

After Eye Contact: Hold eyes open, flood with water for at least 15 minutes. Seek immediate medical attention.

After Skin Contact: Drench the skin thoroughly with water. Remove contaminated clothing and wash before re-use. Dab with polyethylene glycol 400. Unless contact has been slight, seek immediate medical attention.

After Ingestion: If swallowed, wash out mouth thoroughly with water and give plenty of water to drink. Seek immediate medical attention. Contact a doctor or poisons information centre.

5. FIRE-FIGHTING MEASURES

Suitable Extinguishing Media: Water spray, carbon dioxide, dry chemical powder, or appropriate foam.

Special Protective Equipment for Fire-fighters: Wear protective clothing to prevent contact with skin and eyes and by inhalation.

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions: Wear appropriate protective clothing such as respirator (when vapours/aerosols are generated), eye protection, Nitrile gloves and a laboratory coat.

Environmental Precautions: The stopping solution must not be allowed to enter soil or water. A harmful effect on aquatic organisms can not be excluded in the event of improper handling or disposal.

Methods for Cleaning Up: Rinse out containers thoroughly before disposal or recycling. Absorb with paper towel (or other appropriate absorbing media) and hold for waste disposal. Wash spillage area with water to remove any residue.

7. HANDLING AND STORAGE

Handling: Read the product insert. Always follow good laboratory practices when using this product. Wear appropriate protective clothing.

Storage: Store at 2-8°C away from direct sunlight.

Specific Use: 192 Test enzyme immunoassay of the detection of Trypanosoma cruzi from serum samples. For professional use only.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Respiratory Protection: Do not inhale. Work in a well ventilated area.

Hand Protection: Wear Latex or Nitrile gloves.

Eye Protection: Wear safety glasses/goggles to prevent against splash of liquids.

Skin Protection: Wear a laboratory coat and enclosed shoes.

9. PHYSICAL AND CHEMICAL PROPERTIES

Stopping Solution TCSS

Appearance: Clear, colourless liquid

Odour: No odour

pH: <1.0

Solubility: Water soluble

No other information is available on the product within the meaning of Directive 67/548/EEC.

10. STABILITY AND REACTIVITY

Stable under recommended storage and handling conditions (see section 7)

11. TOXICOLOGICAL INFORMATION

Signs and Symptoms of Exposure: To the best of our knowledge, the chemical, physical and toxicological properties have not been thoroughly investigated.

12. ECOLOGICAL INFORMATION

There is no data available on this product. The product components should not be allowed to enter drains or water courses. If this occurs, flush the area with copious amounts of water to dilute.

13. DISPOSAL CONSIDERATIONS

Do not allow into drains or water courses. Wastes and empty containers should be held for appropriate waste disposal.

14. TRANSPORT INFORMATION

Road (ADR): Not subjected to regulation as package sizes below limited quantities described.

Sea Transport (IMDG): Non examined regulation.

Air Transport (IATA): Exempted from the marking, labeling and documentation requirements of these Regulations when shipped below limited quantities described (IATA DGR 2005).

If shipped in quantities greater than those described in the Regulation the following information applies:

UN Number: UN2796

Class: 8

Proper Shipping Name: Sulphuric acid

Packing Group: II

Marine Pollutant: Do not allow into drains or water courses.

Other Applicable Information: 10.7% Sulphuric acid present in the Stopping Solution.

15. REGULATORY INFORMATION

Stopping Solution	TCSS
This product is labeled as follows:	C
Danger Classification:	Corrosive
Contains:	Sulphuric Acid
R-Phrases:	R35 Causes severe burns. R41 Risk of serious damage to eyes.
S-Phrases:	S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. S30 Never add water to this product. S45 In case of accident or if you feel unwell seek medical advice immediately (show the label where possible).

16. FURTHER INFORMATION

This product is intended for professional scientific use only. Please read the product insert for the instructions for use.

Thorough investigation of this product has not been undertaken. The above information and recommendations are believed to be correct as of the date of this Material Safety Data Sheet but shall not be taken to be all inclusive and shall only be used as a guide. All chemicals and preparations may present unknown hazards and should be used with caution. Cellabs shall not be held liable for any damage resulting from handling or contact with the above product.
